MINUTES

EDUCATION

- Posting of Committee Meeting Minutes
 - All Board Members on the committees this evening support the posting of the minutes on the district website.
- [Act 158 Pathways to Graduation Established Scores](#)
 - Dr. Stoker explained the current pathways to graduation
 - Mr. Kern asked about remediation programs and how they are implemented.
 - Dr. Stoker explained how remediation depends on the specific courses.

- ❑ For example, in Biology there is remediation on the Canvas platform and then teachers do direct check-ins but in algebra they utilize USA Test Prep, Study Island, and the next course.
- ❑ When we have results, the teachers drill down to the eligible content for each student and their areas of need. They target those areas.
- ❑ Information for Virtual Learning
 - ❑ Dr. Stoker explained that there will be a virtual learning section added to each building handbook. It is a guide, not a stand alone handbook.
 - ❑ Bulldog Academy will continue to have its own handbook.

POLICY

- ❑ [Policy #308](#) Employment Contract/Board Resolution
 - ❑ See attachment
 - ❑ Dr. Stoker explained the updated language as it relates to in person probationary days.
 - ❑ The decision was made to table the policy and continue communication with the associations

Next meeting is tentatively scheduled for Tuesday, September 8, 2020 at 5:30 p.m.
