MINUTES

EDUCATION

- Kindergarten Registration (Mr. Schnyderite)
 - Registration dates held
 - Updates on potential kindergarten numbers for 22-23
 - Future registrations
- SWPBIS (Mr. Schnyderite)
 - Tier I and Tier II Fidelity Rating at Peters Elementary School
- IXL (Mr. Hauser)
 - Training
 - Math dept lead and TIS attended the recent IXL summit in Bethlehem.

- Appropriate and effective use of data reporting tools and implementation of differentiation tools.
 - Evaluated IXL against other tools and found this to be the superior product for middle school students and programs.
 - How MS is using this tool
 - Focused FLEX period in ELA and math – helping to address learning loss.
 - Both teacher-assigned and differentiated assignments – program adapts to student needs.
 - Next steps
 - Moving forward with full IXL implementation next school year.
 - PD for faculty in data usage and classroom instruction application.
 - Use program to monitor student progress–benchmarking, response to needs, practice.
- [Lit Camp](#) (Mr. Pyne)
 - Summer Program Reading
 - Used Digital Component program last year
 - Physical Kits preferred and sustainable
 - Funding through ESSER - \$5,875.10
 - Mrs. Snyder has indicated that she would like to share an article about SEL with the administration and the Board.
 - Board members present support this moving to the agenda Monday evening for consideration.
- Canvas (Mr. Pyne)
 - Amendment to purchase consulting and PD (\$4,200) from 2021-22 C & I budget
 - Subscription costs (\$10,268.75) still remain in 2022-23 C & I budget
 - Board members present support this moving to the agenda Monday evening for consideration.
- Career Fair Update (Mr. Strohl)
 - April 22nd from 9AM-1PM
 - 54 Vendors
 - Program

Next meeting is scheduled for Wednesday, May 4, 2022.
