- PIAA Sport Expansion - Girls Wrestling
 - PA reached 100 schools that sponsor girls wrestling
 - At the 2/22/23 PIAA Board of Directors Meeting - The PIAA Board unanimously approved, on a first reading basis, a motion to accept sponsorship and jurisdiction of girls' wrestling as a sport.
 - It is anticipated the first reading will gain approval in a second reading and third reading prior to the end of the 2022-23 school year. This means that the PIAA will start building a playoff system and a rules package for the sport of girls wrestling. Schools that continue to sponsor this sport will be able to enter as the sport continues to grow. If there are girls that are interested and the sport does not gain approval, girls will be able to enter the tournaments as

NL girl wrestlers and compete as it is done in swimming and golf. If there is significant growth, it would be recommended to add the sport.

- This year, there was one girl wrestler in the MS and one girl wrestler in the HS. Neither of them completed the season.
- School Clubs - Car Wash Request on School Grounds
 - Revisit in April
- [Cashless Payment at Concession Stand](#)
- Committee Supports moving forward and placing on a Board agenda when ready.
