## AGENDA

- Cafeteria Update (Mrs. Fink)
  - Summer Food Service Program:
    - \*non-congregate meal service only for schools in rural areas (Peters is only one that qualifies for that style of meal service).
    - \* Majority of camps at Slatington and High School therefore will open both schools, Slatington a closed site, HS an open site in order to feed the REC camp and community.
  - HS Dishwasher:
    - Singer was out last Thursday to take measurements of dishwasher to re-quote us and hopefully give us a better price.
  - Staffing:
    - Offered positions to 4 new hires for the open cook's helper positions, two did work out and two did not work out.
    - Re-posted the positions last week, so far some of our food service staff members have expressed certain friends and family members that are interested, and we are looking to conduct interviews again over the next week or so.

- Round up at the Register:
  - Round up at the register at our local Giant has extended this program through the end of March. Don't forget to round up at the register next time you shop at Giant.
  
- Budget
  - [Proposed Preliminary Budget Presentation](#)
