What If I Disagree With An Evaluation?

a. Independent Educational Evaluations (34 CFR § 300.502)

1. General

As described below, you have the right to obtain an independent educational evaluation (IEE) of your child if you disagree with the evaluation of your child that was obtained by your LEA. If you request an IEE, the LEA must provide you with information about where you may obtain an IEE and about the LEA's criteria that applies to IEE's.

2. Definitions

- a. Independent Educational Evaluations means an evaluation conducted by a qualified examiner who is not employed by the LEA responsible for the education of your child.
- b. Public expense means that the LEA either pays for the full cost of the evaluation or ensures that the evaluation is otherwise provided at no cost to you, consistent with the provisions of Part B of the IDEA, which allows each State to use whatever State, local, Federal and private sources of support are available in the State to meet the requirements of Part B of the Act.

3. Parent right to evaluation at public expense

You have the right to an IEE of your child at public expense if you disagree with an evaluation of your child obtained by your LEA, subject to the following conditions:

- a. If you request an IEE of your child at public expense, your LEA must, without unnecessary delay, either: (a) File a due process complaint to request a hearing to show that its evaluation of your child is appropriate; or (b) Provide an IEE at public expense, unless the LEA demonstrates in a hearing that the evaluation of your child that you obtained did not meet the LEA's criteria.

- b. If your LEA requests a hearing and the final decision is that your LEA's evaluation of your child is appropriate, you still have the right to an IEE, but not at public expense.
- c. If you request an IEE of your child, the LEA may ask why you object to the evaluation of your child obtained by your LEA. However, your LEA may not require an explanation and may not unreasonably delay either providing the IEE of your child at public expense or filing a due process complaint to request a due process hearing to defend the LEA's evaluation of your child.
- d. **You are entitled to only one IEE of your child at public expense each time your LEA conducts an evaluation of your child with which you disagree.**

4. **LEA Criteria**

If an IEE is at public expense, the criteria under which the evaluation is obtained, including the location of the evaluation and the qualifications of the examiner, must be the same as the criteria that the LEA uses when it initiates an evaluation (to the extent those criteria are consistent with your right to an IEE).

b. **Parent-initiated evaluations**

If you obtain an IEE of your child at public expense or you share with the LEA an evaluation of your child that you obtained at private expense:

- 1. Your LEA must consider the results of the evaluation of your child, if it meets the LEA's criteria for IEEs, in any decision made with respect to the provision of FAPE to your child: **and**
- 2. You or your LEA may present the evaluation as evidence at a due process hearing regarding your child.

c. **Requests for evaluations by hearing officers**

If a hearing officer requests an IEE of your child as part of a due process hearing, the cost of the evaluation must be at public expense.
